## Urban Country

The QUT Urban Country Music Festival is our next big event for 2007. No Gravity will be located in the car park next to Town Square during the 4 day event, May 4-7. There are also two Ferris wheels, army boot camp style obstacle course, workshops, live music, and heaps of other entertainment, right in Caboolture's Town Square.

Visit [www.nogravity.com.au](http://www.nogravity.com.au) or [www.urbancountry.com.au](http://www.urbancountry.com.au) for more details. Check out the wide range of festival merchandise, including a special Commemorative Port produced by Kilcoy's Woongooroo Estate. See you at Urban!!

## THE CRAZE CONTINUES

We are booked for heaps of events this year. The Farm Fantastic (July) is in our schedule as is the Town, Country Heritage Fair, run by The Antique Machinery Restoration Society of QLD at the Caboolture Historical Village. It is the same weekend of the Abbey Festival (July 7th -8th). These events are expected to attract heaps of people to Caboolture Shire and we are glad to be taking part. We are also attending the "BIG BBQ" *Qld Week (June)* hosted by the Brisbane City Council as part of the Scout's Qld display. Check out [www.nogravity.com.au/contactus.htm](http://www.nogravity.com.au/contactus.htm) for more information about these events.

## New Record 6.6 Seconds

No Gravity staff are now offering a **\$100** cash prize to anyone who can beat Ron's time. Ron Ahl (53) is officially the fastest person up our wall. At 6.6 seconds, no-one has been able to knock him off his first place podium. 14 year old Antony Moore came very close at 8.8 secs and was in position number two until 22 year old Nick from Bribie Island, moved in at 8.1 seconds. You get 3 chances on path two to beat the record, with big steps and long legs the key to cashing in.

## Revmasters - Keeping it legal

We attended round 2 'Black' Friday the 13th burnout comp and show 'n' shine at Archerfield International Speedway. With a jet car, heaps of burning rubber, tyres exploding and a worthy collection of awesome shiny cars, it was a great night.

## BRIBIE ISLAND

Come see us at Bongaree on Bribie Island, near the jetty most Saturdays and holidays. With thanks to the Caboolture Shire Council, we can now set up our rock wall at several parks within the Shire. Bongaree has toilets, shade shelters and BBQs and is a perfect day out for the family, with heaps to see and do. This permit also means that we can offer a location for private parties and bookings. Picture having a team building session at Commerce Park, Bongaree, or a private staff party at Centenary Lakes. Hope to see you there.

## The Kilcoy Show

Kilcoy has become our highlight for April 07 as our first ever show. Being near the ring, we had the best seat in the house. Close to the woodchop, horse events and the dog show. We were flat out for most of the day and well into the night, with parents and kids having multiple goes before the event wrapped up. The fireworks were awesome, with live music and dancing to finish the night off.

A BIG thank you to Di Elsworth and the entire Kilcoy Show committee for supporting us. It was a huge show put on by a handful of people with amazing results. They should be commended. We look forward to next year and hope to see you all there.

## Thanks from No Gravity, goes to...

Belinda from Burpengary Central for inviting us to attend the Grand Opening on the 31st March. It was a fantastic event with jumping castle, mini Ferris wheel, live mini Memphis Elvis band and balloon sculpting. The result was a fun packed day. This new centre is located on Station Road next to Aldi.

We would also like to thank David and Kate from Beachmere Village Shopping Centre for inviting us to their grand opening. It was held on the 15th April with everything from jumping castles, face painting, live singers, dancers, snow cones and of course us. Located on the corner of Beachmere and James Rd, the locals got right behind this one.

*That is it for now. Catch you all in two months.  
 Cheers from Karen, Ron and the team at No Gravity.*
