ISSUE TWO = BIG NEWS

Welcome back to issue two of No Gravity News. We getting busier, now that Christmas and the holidays have finished. We were very happy with the reception of our first ever newsletter. So much has happened recently that I couldn't fit it all onto two pages.

We are happy to report that we will be at the Kilcoy Show on Sunday 21st April. Di Elsworth and the show committee have been a pleasure to deal with. We look forward to seeing everyone there. Go to <http://kilcoyshow.agshows.com.au> for more details.

No Gravity have also joined Caboolture's Chamber of Commerce. The opportunities that the monthly networking meetings provide are tremendous, and the chance to speak with some of the most successful business people in the shire, has helped us get the No Gravity name out there. Call Chamber President Robyn Lachmund on 54989800 for more details on attending future Chamber events.

We have also been fooling about with our camera (top right). We try and take a few photos, of all events we attend, to add to our newsletter, website and photo album. Our photo album is displayed at every event and contains a scrapbook like collection of photos, articles and flyers. Check out our recently updated online gallery www.nogravity.com.au/photos.

If there is anything you would like to see in the next issues of No Gravity News, or if you would like to be added to our mailing list (email or snail mail), contact me at manager@nogravity.com.au or on 0438 012 232.

HAPPY EASTER

Flexible hire options

CHINESE NEW YEAR

No Gravity was very pleased to be invited to attend Chinese New Year (February 17-18), at Brunswick Mall, Fortitude Valley.

Organised by the Valley Chamber of Commerce, it was an intriguing blend of market stalls, fashion, entertainment, Chinese

cuisine and of course, the traditional dancing dragons.

Heaps of families attended the festivities.

Due to limited space, we had to use our ratcheting jockey wheel to move the trailer into position. Check out the view from the Wickham

Street end of the mall (top right).

A big *thank-you* to the Chamber for getting us involved.

For more information about the regular Saturday China Town markets, or Valley Chamber call 38540860.

AUSTRALIA DAY WEEKEND

Caboolture Historical Village

Woodford Rodeo

YMCA Old Petrie Town

Australia Day weekend was BIG. 4 events in 3 days! It started, Friday at the Caboolture Historical Village - make-shift tent pole/hokey strap combination for a flag pole. Gold Old Aussie ingenuity. Later that day, it was off to Old Petrie

Town, where the YMCA hired us to provide free rock climbing. Saturday night saw us out at the Woodford Rodeo. We had the best view of the arena from the top of our wall. And Sunday, we were at the Caboolture Markets, the busiest it's

ever been. We would like to thank everyone for the opportunity to get involved. For more information about any of these organisations, please contact us on 0438012232 or manager@nogravity.com.au.

Belated Happy Australia Day

OUT AND ABOUT

Come and visit us at Caboolture Markets most Sundays from 6am - 11:30am. There is heaps to look at and do, including; market stalls, fresh fruit + veg, Dutch

pancakes, car parts, gardening gear, plants, 2nd hand/new clothing, art and crafts, brekky burgers, woodwork, fish and birds, pet supplies, pony rides, merry

go round, jumping castle, clowns, jewelry, tea + coffee, camping gear...the list goes on. There is something for everyone. Caboolture show grounds, Beerburum Rd.

GETTING HEALTHY & ACTIVE AT ESK

As we pulled into the track leading into the already packed Esk Healthy and Active Lifestyle Expo, children of all ages swarmed the vehicle. We were bombarded with the eager question "How long will you take to set up?" Ron, Eleesha and myself set up in a record 20

minutes. The next four hours was extremely busy, keeping No Gravity staff on their toes. With energising music, Thai-kwon-do, aerobic and kick-boxing demonstrations and other attractions, a great day was had by all.

No Gravity would like to commend

Esk Shire Council's Sport, Recreation & Planning Officer, Scott Aurisch (pictured below) for his excellent organisation of the event.

The enthusiasm displayed by the community was great to see and we look forward to visiting Esk again in the future.

So many people were being active and healthy on March 3

Scott Aurisch, Event Organiser.
A 10.1 Second Run

The line-up was HUGE

CABOOLTURE NETBALL BUILDING STRONGER TEAMS

Sylvia Wagner from the Caboolture Netball Association saw an opportunity for her junior teams and umpires to create new bonds for the start of season 2007. The aim of the session was to strengthen communication, teamwork and friendship between new and existing players.

At 7am, Saturday March 3rd – No Gravity's mobile rock climbing wall offered a special treat to a 30+ group of young netballers. The three-hour team building session created a supportive atmosphere and saw many of the girls overcome their fear of heights and encouraged them to try something new.

Players were given a climbing demo by Eleesha Woodgate (No Gravity

employee) to alleviate any fears of falling. Eleesha, Ron Ahl and Karen Ahl (No Gravity Manager) offered climbing instruction and tips throughout the session.

Once everyone realised how safe it was, players started relaxing and began to build in confidence.

The team relays were really exiting, with clapping, cheering and encouragement all round. The highlight was the communication challenge. Several volunteers were blindfolded; having their teammates, select *communicators* to guide them up the wall, one at a time. After the humorous realisation that the *blindfoldees* could not tell what colour the different pegs were, the communication between

teammates was exceptional. Those blindfolded, seemed to climb with more confidence, and with perfect technique, not knowing how high up they were.

No Gravity staff were impressed with all the girls' enthusiasm and commend them on their excellent behaviour. It was smiles all round, despite the heat and sweat and tired arms.

No Gravity would like to congratulate all of the players and umpires for trying so hard and not giving up. We would also like to thank everyone for being so encouraging towards their teammates. A big thank you to Sylvia Wagner for organising the event as well as parents for helping her on the day.

If you would like more information about the Caboolture Netball Association, call Sylvia on 54951824.

Extreme Adventure Zone

For anyone planning a large event, No Gravity has teamed up with Pacific Fly Motion Bungee Trampoline, to create the Extreme Adventure Zone. We are very excited to be working with Alex having met at the Eumundi Markets kids area, earlier this year.

Teaming up with PFM is ideal. Not only is the bungee tramp physical, it is also non-violent. The bungee tramp has four stations with an incredible 8m lift achievable.

Anyone, weighing up to 85Kg can have a go of the

bungee and up to 114Kg for the rock wall.

A cross between the circus and an army boot camp.

With such a high profile and wide spread appeal, No Gravity and Pacific Fly Motion have got what it takes to make your event extremely successful.

Contact us for an information pamphlet or let us know of any events that you would like to see us at.

Team NO GRAVITY

Friday nights, when we have no bookings, my brother and I head down to the Caboolture Indoor Sports Centre where No Gravity sponsors our mixed cricket team. Our first game back of the season was close, with only 15 runs difference separating us from the winners. There was some great batting from all players. We are hoping to improve upon last seasons results. We play for fun and fitness, while learning a new sport. They also have indoor netball, indoor soccer and beach volleyball.

Contact us if there is something you would like to see in No Gravity News.

WE WOULD LIKE TO THANK...

...Tint Mart for the amazing sign writing job on our Toyota Landcruiser, aka, "The Beast". We were so pleased with our groovy looking vehicle that we let them put their name on it.

You may be asking, "Tint Mart do sign-writing?" Well, yes they do, and they are soon to do banners as well.

Charlie and Annie at the Caboolture Tint Mart on 94 Learjet Drive are branching out into computer cut signs as well as printed banners. They are calling that side of the business Channies Signs and De-

signs.

Soon, we will also have our 2ft wide by 14ft long banners, printed by Channies and the gang. This will make our wall stand out even more then it does already.

We highly recommend the team at Tint Mart/Channies. Nice people and great work!

Give them a call for all your sign writing, banners, car and house window tinting.
